

## Pillar Taps Cross Head or Lever Handle

Heavy duty chrome on brass, robust construction, good aesthetic style, safety finish is easy to maintain and keep clean. Suitable for any harsh hard working environment where high standard of hygiene is essential.

Pillar taps designed for kitchens, food service areas, hospitals, laboratories, butchers, abattoirs, bakery, dairy, fishmonger, food processing, veterinary services and any other area where stringent standards are required.

The quality of these taps is certified worldwide by:

**NSF** (National Sanitary Foundation)  
**ANSI** (American National Standards Institute)  
**WRAS** (Water Regulations Advisory Scheme)

All pillar taps are dispatched in easy to handle and store cartons ready for on site installation.
